

Invitation for Submissions – Revised System Description and User Access Guide

1. INTRODUCTION

Under the Pilbara Networks Access Code 2021 (**PNAC**), Horizon Power is required to undertake the public consultation process before publishing any update, amendment or replacement to information previously published under section 36.

2. MATTER FOR CONSULTATION – REVISED SYSTEM DESCRIPTION AND CURRENT PUBLISHED USER ACCESS GUIDE

This document sets out details of the invitation to the public to submit comments on the following:

- **Consultation 1 (Draft Revised System Description)** – Horizon Power has prepared and published a [draft 'Revised System Description'](#) and is undertaking the '*standard consultation process*' (as set out in Appendix 1 of the *PNAC*) (**Formal Consultation**).

After completion of the consultation process, Horizon Power will consider submissions received and, if required, update and publish the final System Description on its [website](#).

- **Consultation 2 (Current Published User Access Guide)** – Horizon Power is seeking comments on potential updates to the [current published User Access Guide](#), including changes that may improve the enquiry and application process.

Comments received will be considered in preparing the draft updated User Access Guide. Horizon Power expects to undertake *Formal Consultation* on that draft in December 2026, alongside the draft services and pricing policy for the next pricing period commencing on 1 July 2027.

3. MAKING A SUBMISSION AND NEXT STEPS
